Assembled in Argentina with
components made in Argentina, the
United States and China.

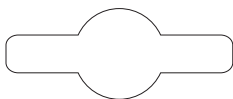

CAUTION

“This device is not intended to
replace any other safety
consideration; that is, adult
supervision, lifeguards, fences, gates,
pool covers, locks, and so forth, and
some devices may not detect gradual
entry.”

Systemax Safety Systems, Inc. shall
NOT be liable for any property
damage, personal injury, economic or
non-economic loss or ANY damages,
consequential or otherwise,
sustained, caused or incurred as a
result of any type of failure of the
poolnanny™ system and/or
installation.

“Meets requirements of ASTM standard F2208
when properly installed.”
